## Dutch-Norwegian Night at Fuglen, Tokyo

Dear Members and Friends,

At this moment most of us are thinking about the year-end holidays. Taking a break. Taking it easy. Rest assured, the 2 NCCJs are ready to help you get back into shape on January 15.

Grab one of Fuglen's original cocktails and join us for a refreshing dive into Norwegian vintage design at Fuglen Tokyo with a Dutch taste as Fuglen's bartenders are preparing an original [Bols Genever](#) cocktail especially for this event.

We are ready to Mix, Stir and Mingle the two NCCJs this evening at the Norwegian espresso and cocktail bar in an evening of Norwegian and Dutch as Fuglen Tokyo is inviting for "some coffee cupping and Bols Genever tasting".

Join us to meet new friends and experience an informal evening of [Birdlife](#) first hand, and do try both their coffee and one of Fuglen's many original cocktails, simply made to be enjoyed in this unique atmosphere.

Curious? Take your time to browse their web-page – you will be tempted to give them an early visit, but you will enjoy the Dutch-Norwegian Night ever more: [www.fuglen.no](http://www.fuglen.no)

See you there on January 15. 19:00 – 21:00.

Where: Tomigaya 1-16-11, Shibuya-ku.

Price: 2,500 for NCCJ, 3,000 non-members (two drinks or 1 drink 2 coffee tickets included)

Light snacks will be provided.

For participation, please register to your own Chamber by January 11.
